

The MECCA Group helps individuals foster their social-emotional, behavioral, academic and professional well-being.

The MECCA Group helps individuals foster their social-emotional, behavioral, academic and professional well-being.

We are committed to providing a continuum of high-quality and comprehensive services to meet the needs of each individual, school or business we serve. The MECCA Group specializes in a multidisciplinary, comprehensive evaluation and treatment method to assist individuals and their support systems. This approach to evaluation and treatment has proven successful in addressing emotional, academic, professional, behavioral and social challenges.

The MECCA Group provides unique consulting services. Its core team is comprised of multicultural and multilingual licensed professionals committed to working diligently on behalf of each client.
